

Reinstate our Constitution!

www.delialopezforcongress.com

It is time for "*We the People*" to take back our Country!

The politicians have made a mess of things by running our country into bankruptcy while subsidizing rich corporations and robbing our seniors and disabled citizens' social security "trust fund". The joke is on us, they cannot be trusted, *and there is no fund!* If a company handled their pension fund that way the people in charge would be in jail.

We are being taxed into poverty and the governments' \$9trillion debt threatens the financial future of our children, our grandchildren and our economy. The wasteful, runaway spending must stop before it is too late. By following the Constitution on how and where to spend, we could greatly reduce taxes and help American businesses compete around the world.

Suspending Habeas Corpus, along with many of our civil rights, spying on citizens and granting immunity to complicit companies... The federal government is usurping the powers that are reserved for the States. We need to get the federal government out of *our* schools, *our* businesses, *our* medical care and return the power to the people.

We the People have got to protect and defend our Constitution against the threat from our government. I need your help, this is a big job and no one can do it alone.

As YOUR CONGRESSWOMAN, I WOULD WORK TO:

- ✓ Repeal the "Patriot Act"
- ✓ Stop Policing the World
- ✓ End Corporate subsidies
- ✓ Stop welfare for illegal aliens
- ✓ Put Doctors and patients back in control of medicine, not business and government
 - ✓ Pay down our debt and stop printing "fake" money
 - ✓ Eliminate all unconstitutional laws
 - ✓ End the War on Drugs
- ✓ Lower taxes and burdensome regulations on people starting businesses
- ✓ Allow people to group together to purchase health insurance for small businesses
- ✓ Protect the rights of individuals to bargain collectively for better wages and benefits
